GRAVY –YO™

CLEAN LABEL STARCH (PHYSICALLY MODIFIED STARCH)

APPLICATIONS

As Thickener:

Gravy – YO™ is mainly used to improve the consistency of gravy related products. Gravy – YO™ consists of Poly-hydroxy compounds which hydrate when heated in water and improves the consistency (thickness) of the product.

As Mouthfeel enhancer:

Taste of gravy related products lies in the texture and uniform dispersion of all ingredients. Gravy – YO™ aids in uniform dispersion of all ingredients and blends well with the product which enhances the mouth feel of the product.

- Gravy – YO™ can be used in the preparation of all types of Veg and Non- veg gravies
- It can also be used in gravy – bases of all cuisines(Traditional and Interantional)
- It can also be used in RTU Gravy masalas

FEATURES AND BENEFITS

Gravy – YO™ enhances the consistency of the product providing excellent mouth feel

It aids in uniform dispersion of all ingredients

It can be used as Functional Food ingredient and label friendly product

It is minimally processed starch with no residues of chemicals.

It is highly bio-degradable and causes no harm to the Environment.

Gravy – YO™ is a White powder that adds no color to application and blends well with other ingredients. It has a bland taste and so will not mask flavors or aromas.

Gravy – YO™ contains no fat, protein, fiber, vitamins, or other minerals.

Revision no:02

GRAVY -YO™

CLEAN LABEL STARCH (PHYSICALLY MODIFIED STARCH)

DOSAGE

Use 2 to 3% Gravy-YO of total batch size. For excellent results, maybe use upto 20% Gravy-YO of total batch size.

STORAGE

Exhibits excellent stability when stored under cool and dry ventilated place. Avoid direct sun light.

BEST BEFORE DATE

Twelve months from the date of manufacturing.

PACKING

Available in 25 Kgs net weight paper bags with moisture proof liner inside.

ADDITIONAL INFORMATION

FSSAI Certification	Yes
ISO 9001:2015 Certification standard from SGS	Yes
ISO 22000:2018 Certification standard from SGS	Yes
BRC Global Standard for Food Safety Certification from SGS	Yes
Kosher Certification by Kosher Check, British Columbia, Canada	Yes
Halal Certificate	Yes
ZED Certificate	Yes
Preservative	NOT PRESENT/ USED IN PRODUCT
